Adopt-a-Day Work Group Volunteers

Our Adopt-a-Days are a great way to double your support of Honolulu Habitat for Humanity. Bring your work partners, church group, friends, or club members and work together for a day to help a family in need build their house and make a donation to Honolulu Habitat for Humanity. All Adopt-a-Day contributions go towards supporting Honolulu Habitat for Humanity's ongoing building campaign, and will help Honolulu Habitat continue in its mission of providing decent and affordable homes for families in need.

Honolulu Habitat for Humanity Adopt-a-Day's are easy to organize! Here's how it works:

- Schedule a day for your group with the Honolulu Habitat Office by calling **538-7070**.
- Make a donation from your business, organization, or individual participants (each Adopt-a-Day group also has the option to raise pledges from friends and family members) two (2) weeks before your Adopt-a-Day. Checks should be made payable to *Honolulu Habitat for Humanity*.
- Come to the work site for an exciting day of building homes and feel good about the double service you provided toward making a family's dream a reality.

Group Sizes:	10 – 15 people
Time:	8:30 a.m. to 4:00 p.m.
Skill Level:	No specific skill is necessary. If your crew has specific skills please inform the Volunteer Coordinator when making arrangements for your group. Your group will work under skilled leadership of our site supervisors on one of our houses in progress. No experience required - just the willingness to use a hammer!

Lunch: Provided by Honolulu Habitat for Humanity
