

## VOLUNTEER BUILD SITE PHOTOGRAPHER

**Supervisor:** Community Resources Manager

**Objective:** Strengthen Honolulu Habitat's library of visual media; capture high resolution, person-forward images of construction volunteers and homeowners on the build site.

**Responsibilities:**

- Take candid pictures of volunteers and homeowners working on the build site
- Edit and/or retouch photographs
- Provide final images to Habitat within 72 hours of shift
- Grant permission to Habitat to use, publish and replicate images on website, social media, print publications and news release

**Schedule:** Friday and/or Saturday; 8:30 – 10:30am (preferred)

**Time commitment:** two (2) shifts per month (total 4-6 hours per month)

**Training and support:**

- Habitat will provide photography brand guidelines and orientation
- Volunteers will receive feedback and support from Habitat staff
- Safety: PPE and build site safety training provided
- File transfer: Habitat will provide access to a shared folder for image transfer

**Qualifications:**

- Minimum age: 16 years
- Photography and editing experience
- Reliable transportation
- Volunteers must provide their own equipment and editing software

**To apply:**

- Submit work samples and resume to [volunteer@honoluluhabitat.org](mailto:volunteer@honoluluhabitat.org)
- Complete the [2022 Volunteer Waiver](#)
