

## ReStore Cashier & Clerk

***Honolulu Habitat for Humanity** is a nonprofit affordable housing organization that partners with low-income families on Oahu to build or improve a place to call home.*

**General Summary:** Our volunteer ReStore cashier operates our cash register and plays a key role in ensuring an excellent customer experience at ReStore. Volunteer must be comfortable operating a POS (point of sale) system and experienced in handling cash. Other duties include maintaining a tidy and sanitary work area, assisting with customer inquiries. Every purchase made goes directly to building affordable home on O'ahu.

**Reports to:** Restore Supervisor

### **Responsibilities:**

- Serve as the last point of contact for our customers (make them smile).
- Register sales by scanning or manually entering purchases.
- Collect payment and make accurate change.
- Maintain a clean and organized cash wrap area.
- Occasionally price and stock items if/when time permit.

### **What You Bring to the Team:**

- Ability to operate POS (point of sale) system and handle cash responsibly.
- Strong basic math skills. No calculus needed but you should be able to add and subtract quickly and accurately.
- Personality! You are a people person and enjoy helping customers.
- A willingness to learn quickly. You can follow instruction and feel comfortable asking questions.
- Initiative and a problem-solving mindset. We get a lot of awesome items donated – some need a little TLC or minor fix-up. Bonus points if you are handy with tools!

### **Time Commitment:**

- 1 shift a week.
- Shifts Available: 10:00am – 1:00pm, Wednesday, Thursday, or Saturday

### **What you Gain:**

- Hands-on experience working alongside an amazing team of humans doing great work!
- Help advance Honolulu Habitat's mission of building homes on Oahu.
- A sweet volunteer discount at ReStore.
- Most importantly, you will get to listen to great music while working. Customized playlists are our jams!
