

ReStore Truck Assistant

Honolulu Habitat for Humanity is a nonprofit affordable housing organization that partners with low-income families on Oahu to build or improve a place to call home.

General Summary: Our volunteer Restore truck assistant helps divert materials from going into our landfill by assisting the ReStore team in loading and unloading donations island wide. This position rides with one of our ReStore team members in our box truck and assists with pickups of donations around the island as well as unloading those donations back at the ReStore.

Reports to: Restore Manager

Responsibilities:

- Help maneuver and load big items such as furniture, tools, and bulk materials into box truck from donor's residence
- Safely unload materials collected from donor's and get items onto sales floor undamaged

What You Bring to the Team:

- Quick learner that can take direction and comfortable asking questions. Somebody who is on time and ready to go
- This is a physically demanding volunteer role; volunteer must be able to lift 50 pounds multiple times daily. Also, able to bend, squat and move with agility in tight spaces
- Ability to work in and out of a warehouse and truck that is not climate controlled. Whatever the weather brings we show up for it
- Sense of humor and willingness to break a sweat for a good cause. We work hard but we laugh hard too

Time Commitment:

- We perform donation pickups twice a week. Right now, the days we do pickups are on Tuesdays and Fridays
- Start time for pickups is constant and starting time would be 9:00am. We finish at varying times depending upon number of pickups and where those pickups are geographically on island
- End time will never be later than 3:00pm
- A one-time ReStore Orientation will be required to be informed about the role and Habitat mission

What You Gain:

- A great opportunity to contribute directly to Honolulu Habitat for Humanity's mission
- Volunteers receive a discount to ReStore's sale floor items
